Enclosure: Invitation to e-Auction Tender for the Supply and Installation of One Flight Inspection System.

Invitation to Tender No. PI.GA 016/2017
For the Supply and Installation of One Flight Inspection System
by e-Auction No. e-Auction No. PI.GA.E 84/2560

Aeronautical Radio of Thailand Ltd., (AEROTHAI) invites qualified Tenderers for the Supply and Installation of One Flight Inspection System, Thailand. For the Tenderer to be considered eligible, all of the following qualifications must be met:

1. The Tenderer shall be a juristic person professionally in business of manufacturing and supplying Flight Inspection Systems. No joint venture or consortium or the likes will be eligible for tender submission.
2. The Tenderer shall not be charged with, or be affected by another person(s) or juristic person(s) charged with debarment due to abandonment of Activities, and shall not be named in the "Black List" circulated among all government agencies as persons excluded from Royal Thai Government procurement programs.
3. The Tenderer shall certify that he is without a special privilege or immunity which enables him to refuse being taken to a Thai court or, if he has such privilege or immunity, certify that such privilege or immunity has been waived.
4. The Tenderer shall not be a "jointly interested tenderer", have any co-interest with any other Tenderer and/or e-MarketPlace, and/or obstruct fair price competition at the time of Tender Submission in accordance with the 'Regulations of the Office of the Prime Minister on Procurement'.
5. No AEROTHAI officer is connected with the Tenderer as a manager, managing partner, managing director, executive or person authorized to operate the business of a natural person or juristic person, or a partner in ordinary partnerships or limited partnerships, or a major shareholder in limited companies or public limited companies, or a consultant to such business.
6. The Tenderer shall be the original manufacturer of the main Equipment proposed thereof must provide with his Tender, a certified copy of original documentation to demonstrate his status as such.
7. Only Tenderers who have purchased Tender Documents directly from AEROTHAI will be entitled to submit Tenders for the Activities.

Tender Documents are available for examination by prospective Tenderers from 09.00 to 16.00 hours, between 23 – 30 June 2017 and may be purchased on written request at the following address:

Procurement and Inventory Control Department
Aeronautical Radio of Thailand Ltd.
5th Floor, Administration Building
102 Ngamduplee, Tungmahamek,
Sathon, Bangkok 10120,
THAILAND

Formal requests for the purchase of Tender Documents should be made on the Tenderer's official letterhead accompanied by a non-refundable payment of Baht 5,000.- (Baht five thousand only) (comprising 1 hard copy and 1 soft copy). Payment may be in cash.

Tenderers under Item 1 are able to assign an officially authorized person or agent to purchase Tender Documents on their behalf.

Tenders must be accompanied by Tender Securities as required to the value of Baht 5,756,425.00.- (Baht Five Million Seven Hundred Fifty six Thousand and Four Hundred twenty five only) valid not less than 141 days from the Tender Submission Date (from 14 July 2017 – 2 December 2017).

Tenders have to be delivered *by hand* only to:

Committee for e-Auction,

A SUPPLY AND INSTALLATION OF ONE FLIGHT
INSPECTION SYSTEMS

Procurement and Inventory Control Department

Aeronautical Radio of Thailand Ltd.
5th Floor, Administration Building
102 Ngamduplee, Tungmahamek,
Sathon, Bangkok 10120, THAILAND

Tender(s) shall be delivered between 9.00 and 11.00 a.m., Bangkok local time, on 14 July 2017 (the Tender Submission Date). For the avoidance of doubt, any Tender(s) received after 11.00 a.m. on the Tender Submission Date will not be accepted and will be returned unopened to the Tenderer(s).

AEROTHAI will individually inform the Tenderers who have passed or failed Pre-Qualification. The Qualified Tenderers shall proceed price quotation via electronic auction on 4 August 2017 at the following e-MarketPlace:

CAT TELECOM PUBLIC COMPANY LIMITED

CAT Tower
72 Charaenkrung Road,
Sriphaya Bangrak,
Bangkok 10500, THAILAND

Initial price for bidding of the Supply and Installation of One Flight Inspection System is Baht 115,128,481.00.-

Announced on this 19th June 2017.
