

Thai-German Technology Conference

Energy Efficiency in Industry

May 07, 2018

Crowne 1-4 Room (21/F), Crowne Plaza Bangkok Lumpini Park

www.german-energy-solutions.de

Opening	
08.30	Registration
09.00	<p>Welcome remarks <i>Dr. Roland Wein</i>, Executive Director, German-Thai Chamber of Commerce (GTCC) <i>Dr. Christine Falken-Grosser</i>, Counsellor, Economic and Commercial Affairs Embassy of the Federal Republic of Germany</p>
Market Development in Thailand and Germany	
Keynote Address / Energy Efficiency in Industry (Thailand)	
9.15	<p>Measures to Promote Improvement of Production Efficiency <i>Dr. Bonggot Anuroj</i>, Deputy Secretary General Thailand Board of Investment (BOI)</p>
9.45	<p>Overview of Energy Conservation Program of Thai Industries in the framework of ESCO <i>Rawiwat Panasantipap</i>, Committee The Institute of Industrial Energy, The Federation of Thai Industries</p>
Energy Efficiency in Industry (Germany)	
10.00	<p>Introduction of German Energy Solutions Initiative and German companies <i>Anja Haupt</i>, Consultant The Renewables Academy AG (RENAC)</p>
10.15	<p>Legal framework and market developments in Germany <i>Ekrem Köse</i>, Energy Management Lead-Auditor Institute for Energy Efficiency in Production, University Stuttgart</p>
10.45	Coffee Break and Photo Session with all Speakers
Green Banking	
11.00	<p>Support instruments to promote energy efficiency investments <i>Ittiporn Intravisit</i>, First Vice President Kasikornbank PCL</p>
Energy Management and Control Solutions	
11.20	<p>KISTERS Data Analytics Platform – Higher Efficiency for Energy and Water Utilities <i>Jürgen Bender</i>, Representative KISTERS AG</p>
11.45	<p>Control Valve Design & Sizing – an efficient tool to reduce energy consumption <i>Jens Lang</i>, International Sales Manager ASEAN ARCA Regler Group</p>
12.10	<p>SMART BOILER under THAILAND 4.0 <i>Asst. Prof. Dr. Surachai Sanitjai</i>, Faculty of Mechanical Engineering King Mongkut's University of Technology Thonburi</p>
12.30	Q&A Session
12.35	Lunch

Green Factories	
13.40	Safe and efficient electrical installation solutions in Industry <i>Frank Sinnecker, Head of Representative Office Singapore</i> Wieland Electric
14.05	Improved productivity and reduced operation costs – the DGNB certification system for sustainable industrial buidlings <i>Dr.-Ing. Robert Himmler, Representative</i> German Sustainable Building Council (DGNB)
14:25	Solar PV Rooftop Project - Example: Star Aire Factory <i>Ploypailin Sundarajumpaka, Project Assistant Energy Team</i> GIZ (Thailand)
Automation Technology / Industry 4.0	
14.45	Energy Efficiency in Automation Technology <i>Nirut Kohkaew, Managing Director Thailand</i> FESTO Co., Ltd.
15.10	Industry 4.0 – Latest developments in Thailand <i>Teeratas Israngkul Na Ayudhya, Senior Expert</i> The Office of Industrial Economics
15.35	Q&A
15.40	Wrap-up and closing of conference (including coffee break)
Meet the Speakers	
15.45	Networking and Individual Meetings
16.30	End of Meetings

Moderator: Pan Piyasil, GIZ
